サクラサクラ

presented by もりしげ

The cherry blossoms are still in full bloom here.

単行本最新②巻、大好評発売中!!

Not a speck of the economic powerhouse it used to be.
Behold the shabbiness of the last place of hope that remained.
How pitiful indeed.
3
!
?

My name is Celicil Hanamizuki Colette.
Everyone, it's a pleasure to meet you.

Why do you know me!?
We finally meet, Haru-sama ♡
That's what I want to know!
Who's she!?
She's blonde... But she speaks Japanese!
This is gonna get ugly...
Oh gosh, she's here...
5
Pierre!?
Oh yes, it's not my first time meeting you.
Ah, Pierre.

Eeh!?
You should already know that it's something Hanasaka himself must decide on.
Anyway, about Hanasaka's partner...
That's why I came.
Oh, please. I'm Tadano.
I'm a mere teacher in this school.
Aha ha ha
Is that so?
Anyway, for now, can't you just watch over them from afar...
That's exactly why I came here.
This part should be resolved by the humans of this country first,
And your turn is still a long ways away, Ojou-sama!
Worst-case scenario, this could even become a global issue!
I have some complaints about that, as well.
It's not even Phase 2 yet!
Like I said, don't ask me!
What's the meaning of this, Himeshiro-san!?

別冊 毎月12日発売!!

If he's only got one choice,
Then don't you feel sorry for Haru-sama?

...That's why...
Y-Yes!?
Starting today, I will be Haru-sama's partner!
By the way...
Wha!?
Did she just say...
She feels sorry for Hana-saka!?

Is my outfit to your liking?
Eh!?
ACHOO!
I heard that the gentlemen of this country like outfits such as these, which is why I wore this...
Perhaps it's a bit too early for the season?
I will become a student of this school starting today
Is that Pine, Pierre?
I have already been granted approval by your boss from the Swiss Headquarters, after all.

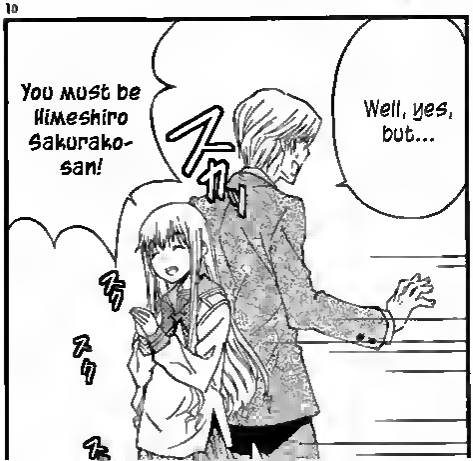
Students aren't allowed to be on campus grounds if they're not wearing their uniform.
FLIP
FLIP
FLIP
FLIP
My, Pierre. you are such a...
A student handbook. There was such a thing?
I never knew.
A-Anyway, if you're a student, then you need to follow the rules!
Students are ruled by the rules.
I suspected this would happen, so...
Bring that out now.
Right away.
I fully understand now.
Oh, you do? That's good.

Haru-sama, how do I look in my uniform?
This time, for sure... Haru-sama reaction would be...

O-
Okay.
My heart's pounding again...

Happy now, Pierre?

I tried it on!



You must be Himeshiro Sakurako-san!
Well, yes, but...

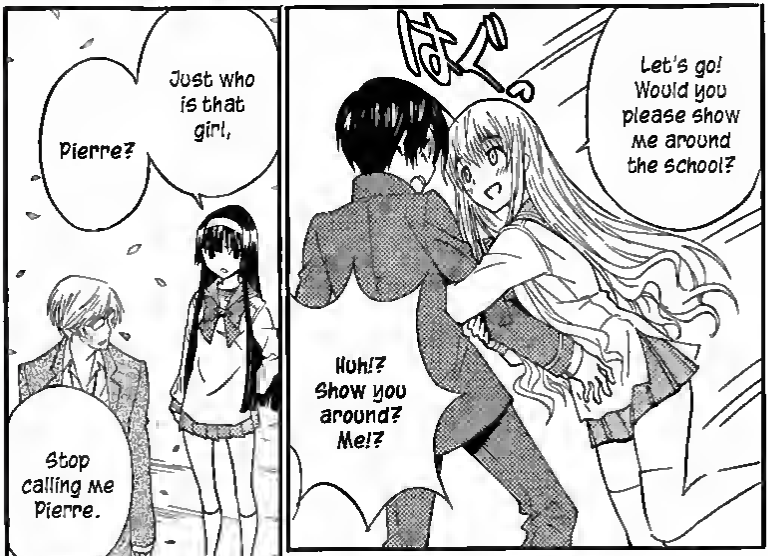
How do you know that!?
Your dream is to make those old men to live out their life span even just a day longer, is that right?
What a wonderful dream you have!

Sup-port!?
Please, allow me to support you!

Just leave Haru-sama to me,
So you can relax and focus on making your dream come true.

Just what
is with this girl!?

12

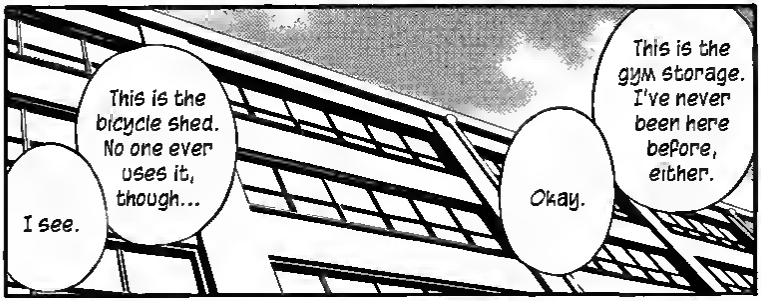


Let's go! Would you please show me around the school?
Huh!? Show you around? Me!?
Just who is that girl,
Pierre?
Stop calling me Pierre.

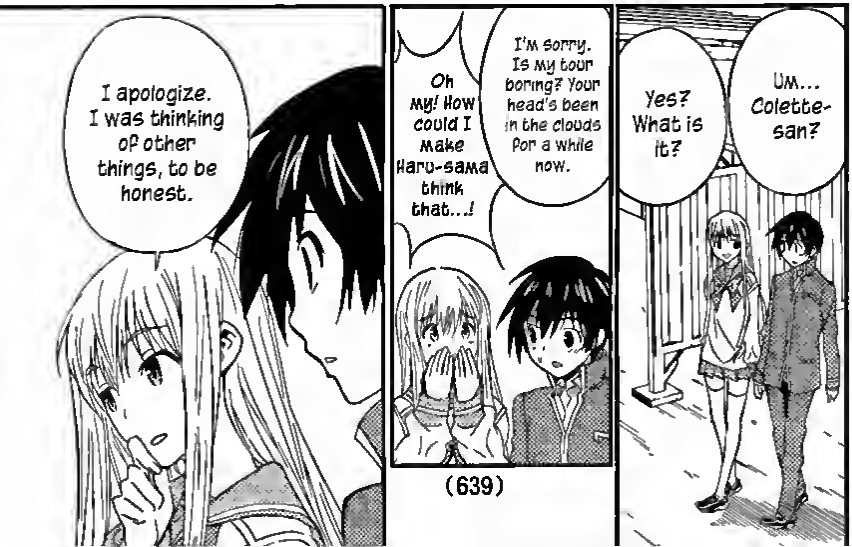
According to the computer-generated simulations, she's one of the candidates who are best suited to be Hanasaka's partners.
We got to this point because your government was obsessed with the idea of girls from their own country, but...
The fact that she's here means that this country's government has broken down.
13
Broken down...?
By the way, she's the daughter of the leader of the world's leading conglomerate, as well as one of the sponsors of this project.
There's absolutely nothing a humble international civil servant such as myself can do.
Doesn't look like I can say goodbye to this school any time soon
Living with Hanasaka and Shikishima-san made me forget...

Just how unreliable this country's adults are.
I know you're worried about Hanasaka-kun,
But we're in the middle of a special lesson right now.
14
I'm not worried at all.
He's Hanasaka, after all. He'll be fine.
Alright Shikishima-san could you read the next part.
Yes.
The womb is a female organ. This is where the fetus develops and,
.....!!
...san!!
Himeshiro-san!!

Isn't sex education a relic of the past generation?
What do they want us to learn in a situation like this?
Ridiculous. Absolutely ridiculous



This is the gym storage. I've never been here before, either.
Okay.
This is the bicycle shed. No one ever uses it, though...
I see.



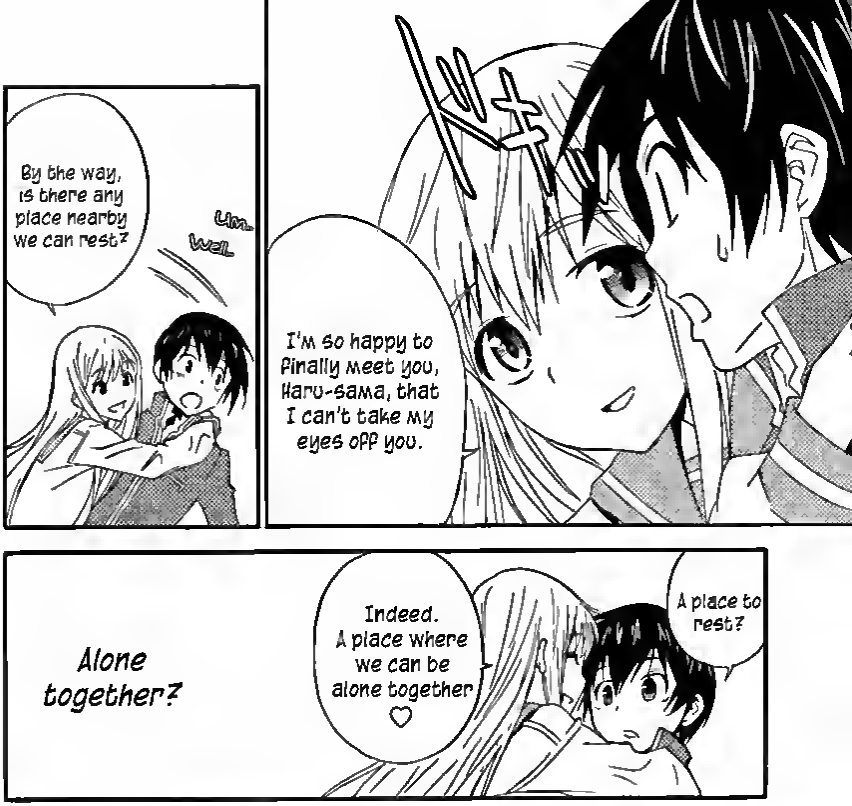
Um... Colette-san?
Yes? What is it?
I'm sorry. Is my tour boring? Your head's been in the clouds for a while now.
Oh my! How could I make Haru-sama think that...!
I apologize. I was thinking of other things, to be honest.

Haru-sama... Ever since you were a child
You've never had the chance to play with friends of your generation.
Huh? Well, yeah, but...
Why bring that up now?
What kind of games did you want to play?
Hmm... Well...
I wanted to try "pretend pro wrestling" and stuff.
Oh! I know of that "pretend pro wrestling" ♡
Yes, For example...

Like this!!
Wait a second! Pro wrestling with a girl is-
My, Haru-sama. Have you never heard of women pro wrestling?

17

Is this
The Cobra Twist!?
Yes ♡
Colette-san?



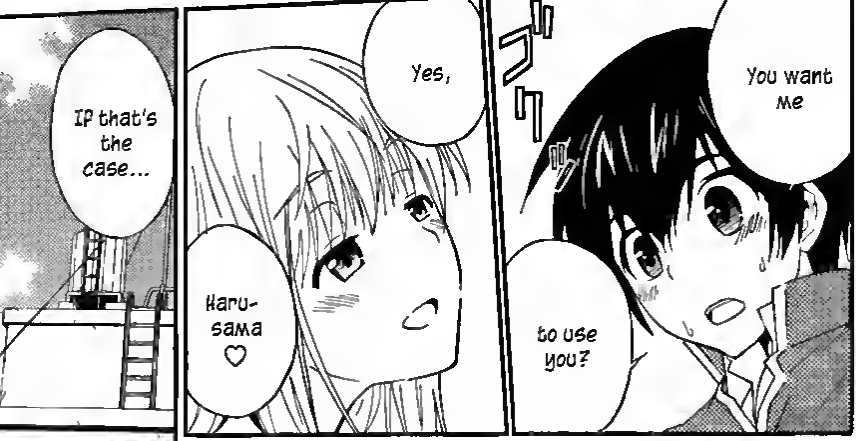
By the way, is there any place nearby we can rest?
Um... well
I'm so happy to finally meet you, Haru-sama, that I can't take my eyes off you.
Alone together?
A place to rest?
Indeed. A place where we can be alone together ♡

Eh!? Colette-san, you know about the Showa Era!?
I heard that in reality, rooftops are off-limits, but in school dramas, they're a must-have!
Ah, the school rooftop. How very Showa-esque.
Is this good enough?

Haru-sama, you really love the Showa Era, don't you?
Yeah. How do you know that?
I've studied everything that you love, Haru-sama. I wanted to know more about you.
Huh!? Why!?
Isn't that obvious?
Because I want to love the same things you do, Haru-sama.
She wants to love the same things I love...
Haru-sama?

This is the first time I've ever met someone who understands me so much.
That's very nice to hear.
But, I wonder why that is...
It's only natural, Haru-sama. After all, I've lived my life wishing to be the person who understands you best in the whole world.
Huh!?
To accept your own fate...
You must have given up on so many things...
Well...
Um...

Please,
Use me!
21



You want me
to use you?
ゴクリ
Yes,
Haru-sama ♡
If that's the case...

Excuse my rudeness.
Oh, is that so?
You need to put more pressure with your arms!
About your cobra twist earlier,

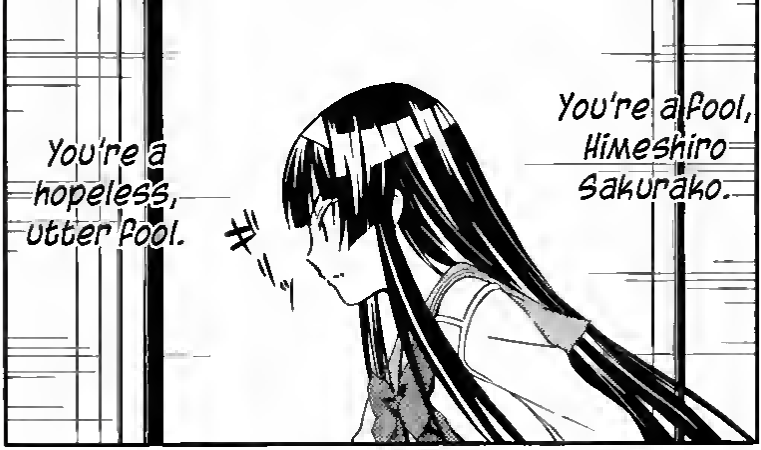
Oh, is it the head lock?
Colette-san, this is called the head lock...
Her chest...

Aww. I was just using more pressure now as you said.
Oh no! My heart's pounding again...
Now then, how about this!?
L-Let's try another move!

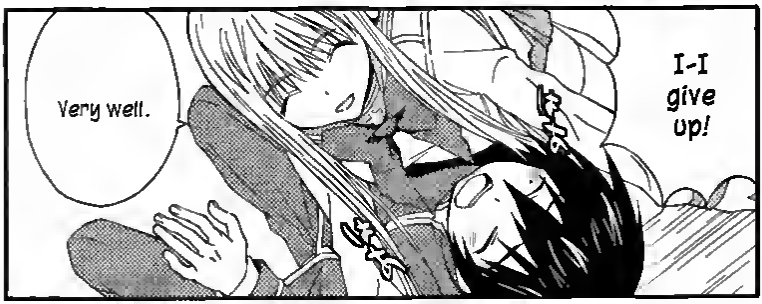
What a shame ♡
I think this one's worse!
Wai-Let's stop this one! Why don't we try another move!
23
When does Hanasaka plan on coming back?
Geez. It's almost lunch break.
I won't stop this time!
Wait, Colette-san!
Haru-sama, all you've done is just accept my moves.
!
Anyway, let's just try another move...!
Being aggressive sometimes is what a gentleman does, yes?

Oh, Himeshiro-san. Hello there!
Himeshiro-san!
ワーオ
ワーオ

.....
Huh? What's wrong, Himeshiro-san?
25
Colette-san, could you let go of me already?
Oh no! Since when did she change positions!?
I won't let go ♡
At times like these, doesn't pro wrestling have a phrase that ends the match?
Huh!? What's that!?
So when did I even start thinking that Hanasaka Haru thinks of me as someone special?
I never even did anything,
(650)



You're a hopeless, utter fool.
You're a fool, Himeshiro Sakurako.

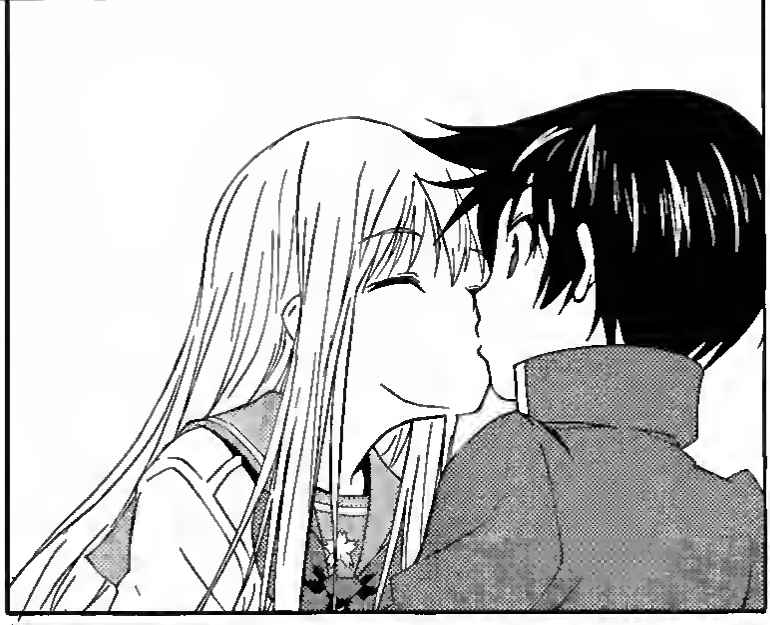


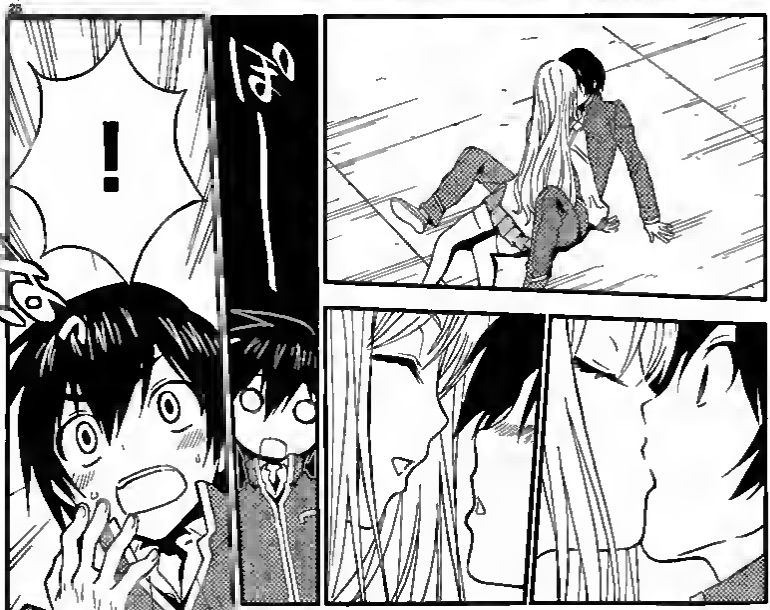
Very well.
I-I give up!

27

Colette-san, you know a lot of moves...

That's very nice to hear.
Pretend pro wrestling's fun!





ちゅー
！

I took your first kiss, Haru-sama.

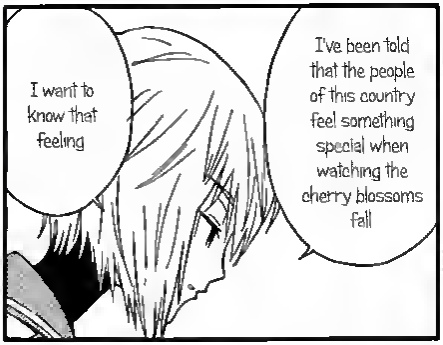
Haru-sama, please don't refer to yourself as "someone like me".
Colette-san, why would you do that with someone like me!?

Lemon...
Just the like the Showa Era...
The kiss that I've shared with you, even in my dreams,
tasted of lemon.

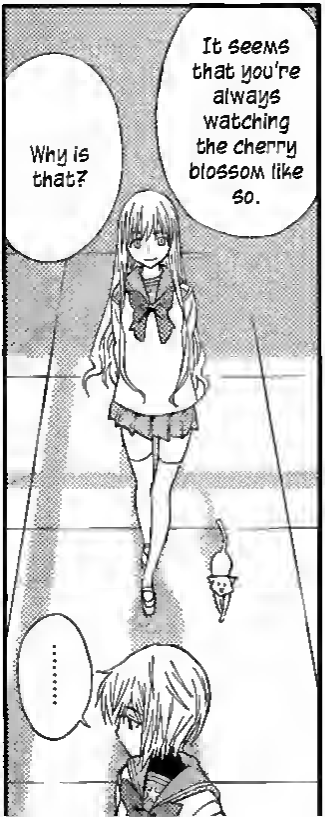
That was a long school tour.
Today's lessons are over already.
Oh, Haru-sama. Please don't apologize.
I am so sorry!
I was the one who asked for it anyway.
If you're going to scold him, scold me instead, Pierre ♡
Aha ha ha.
Class dismissed! Be careful on your way home, guys!!

It pains me to say goodbye.
Same for me. Today was really fun.
Ah, Himeshiro-san.
Ah, Haru-sama!
Himeshiro-san, wait up!
Geez, Haru-sama...
Oh, Mister Cat? Where is your owner?

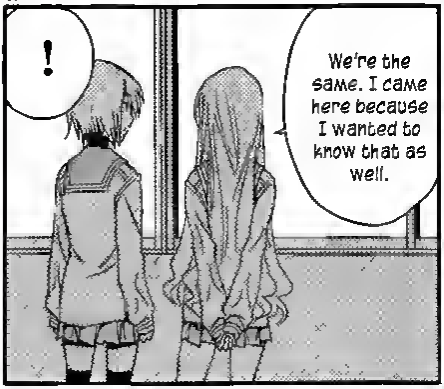
Beautiful cherry blossoms, aren't they... Shikishima Ouka-san?



I've been told that the people of this country feel something special when watching the cherry blossoms fall
I want to know that feeling

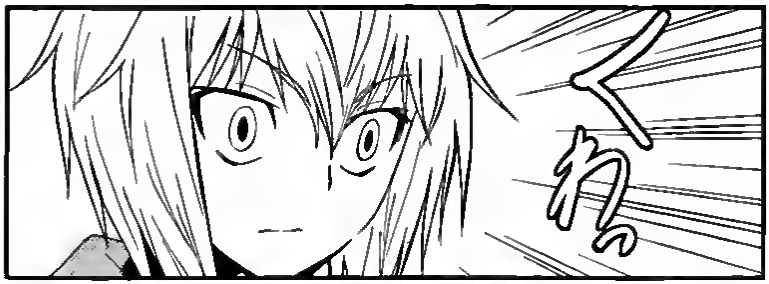


It seems that you're always watching the cherry blossom like so.
Why is that?
.....



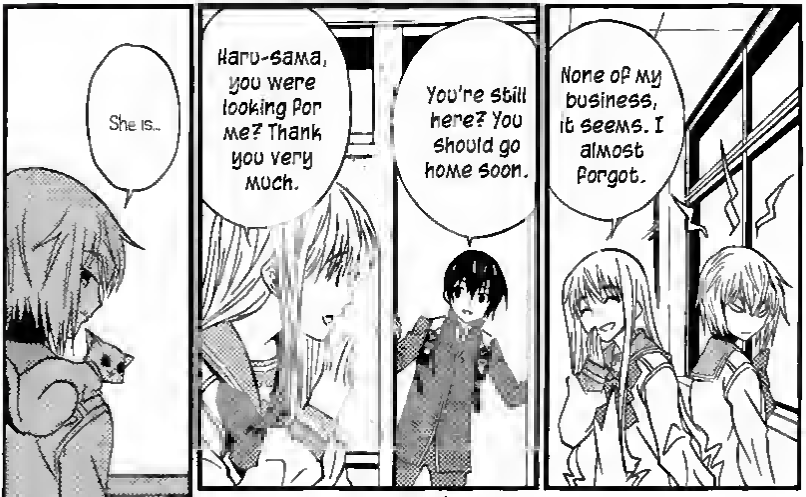
We're the same. I came here because I wanted to know that as well.
!

How about this, Shikishima-san? Me and my people shall protect Haru-sama from now on.
You can go back to the place you previously were and dedicate your life to taking care of those children.



くわっ

33



None of my business, it seems. I almost forgot.
You're still here? You should go home soon.
Haru-sama, you were looking for me? Thank you very much.
She is...

Haru-sama, have a nice day.
See you tomorrow.
I shall excuse myself for today.

Let's go home.

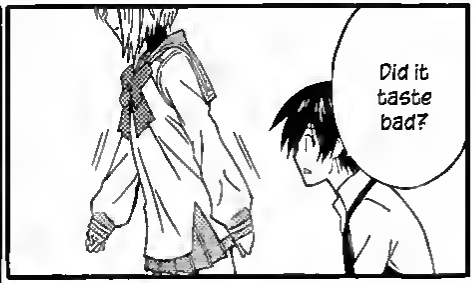
SLAM
I don't want any!
What should we do for dinner?
Himeshiro-san,
Did something happen...?
She was quiet the whole way home, too...

カチャ
She's a really a fun person, and I just forget about the time when I'm with her...
Did you know? Colette-san knows so much about the Showa Era. Maybe even more than me.
SAKURA

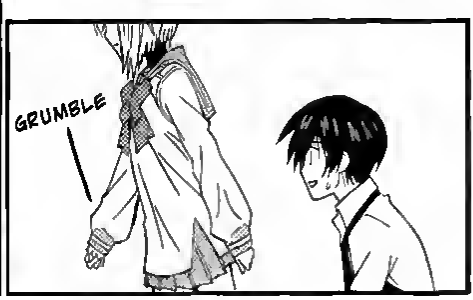
This is enough for tonight...
Huh? There's still plently left.
SAKURA

Thank you for the food.

No thank you Good night
I knew it. You should eat some more.
Your stomach's growling.
SAKURA



Did it taste bad?



GRUMBLE

I really wonder what's wrong...
With both of them...
バタン

Colette-san...
That sensation...
I can still feel

She's a cute
and mysterious person...

But I've never met a person like her before, who wants to know about me so much...
That made me really happy...
Colette-san ...

Yes?

Colette-san!?
